About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

Our A-Z Handwriting Practice worksheets help children work on letter identification, letter formation, and pencil grasp. Children will trace the letters and then write their own on the lines. This gives ample practice for each letter. This worksheet is great for reusing when it's laminated or inserted into a page protector. Children can practice writing the letters as much as they'd like!

Prep:

Step 1: Print all pages 5-30 in black and white. Use as is for a no prep option or laminate / insert into page protectors to make reusable.

Step 2: Grab crayons, colored pencils / pencils.

Step 3: Enjoy!

Directions:

Step 1: Say the name of the focus letter in the top left box. What is the letter's beginning sound(s)?

Step 2: Color the picture.

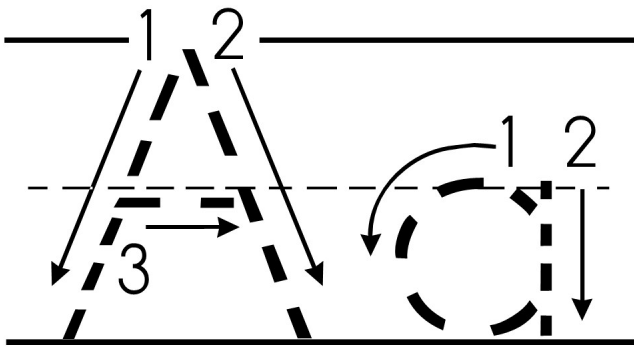

Step 3: Trace the letters and then write your own on the blank line below.
