About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

Our Cookie Jar Color activity helps children learn colors, sorting, and matching. This activity focuses on 9 different colors – red, pink, orange, yellow, green, blue, purple, black, and brown. We've included two different options for playing this game. Choose one or both for added fun! Children can use one cookie jar mat to match 10 different cookies to it that focus on 10 colors. Or children can use the 9 different cookie jar mats included that each focus on a color separately. Use all 9 mats or just the color you're learning. So many fun possibilities!

Prep:

Step 1: Print all pages 4-17 in color.

Step 2: Laminate the pages and cut out the cookies found on page 4 and pages 15-17.

Directions:

Step 1: Place the cookie jar you would like to complete on the table. Page 4 corresponds to the cookies found on page 5. The cookie jars on pages 6-14 correspond to the cookies found on pages 15-17.

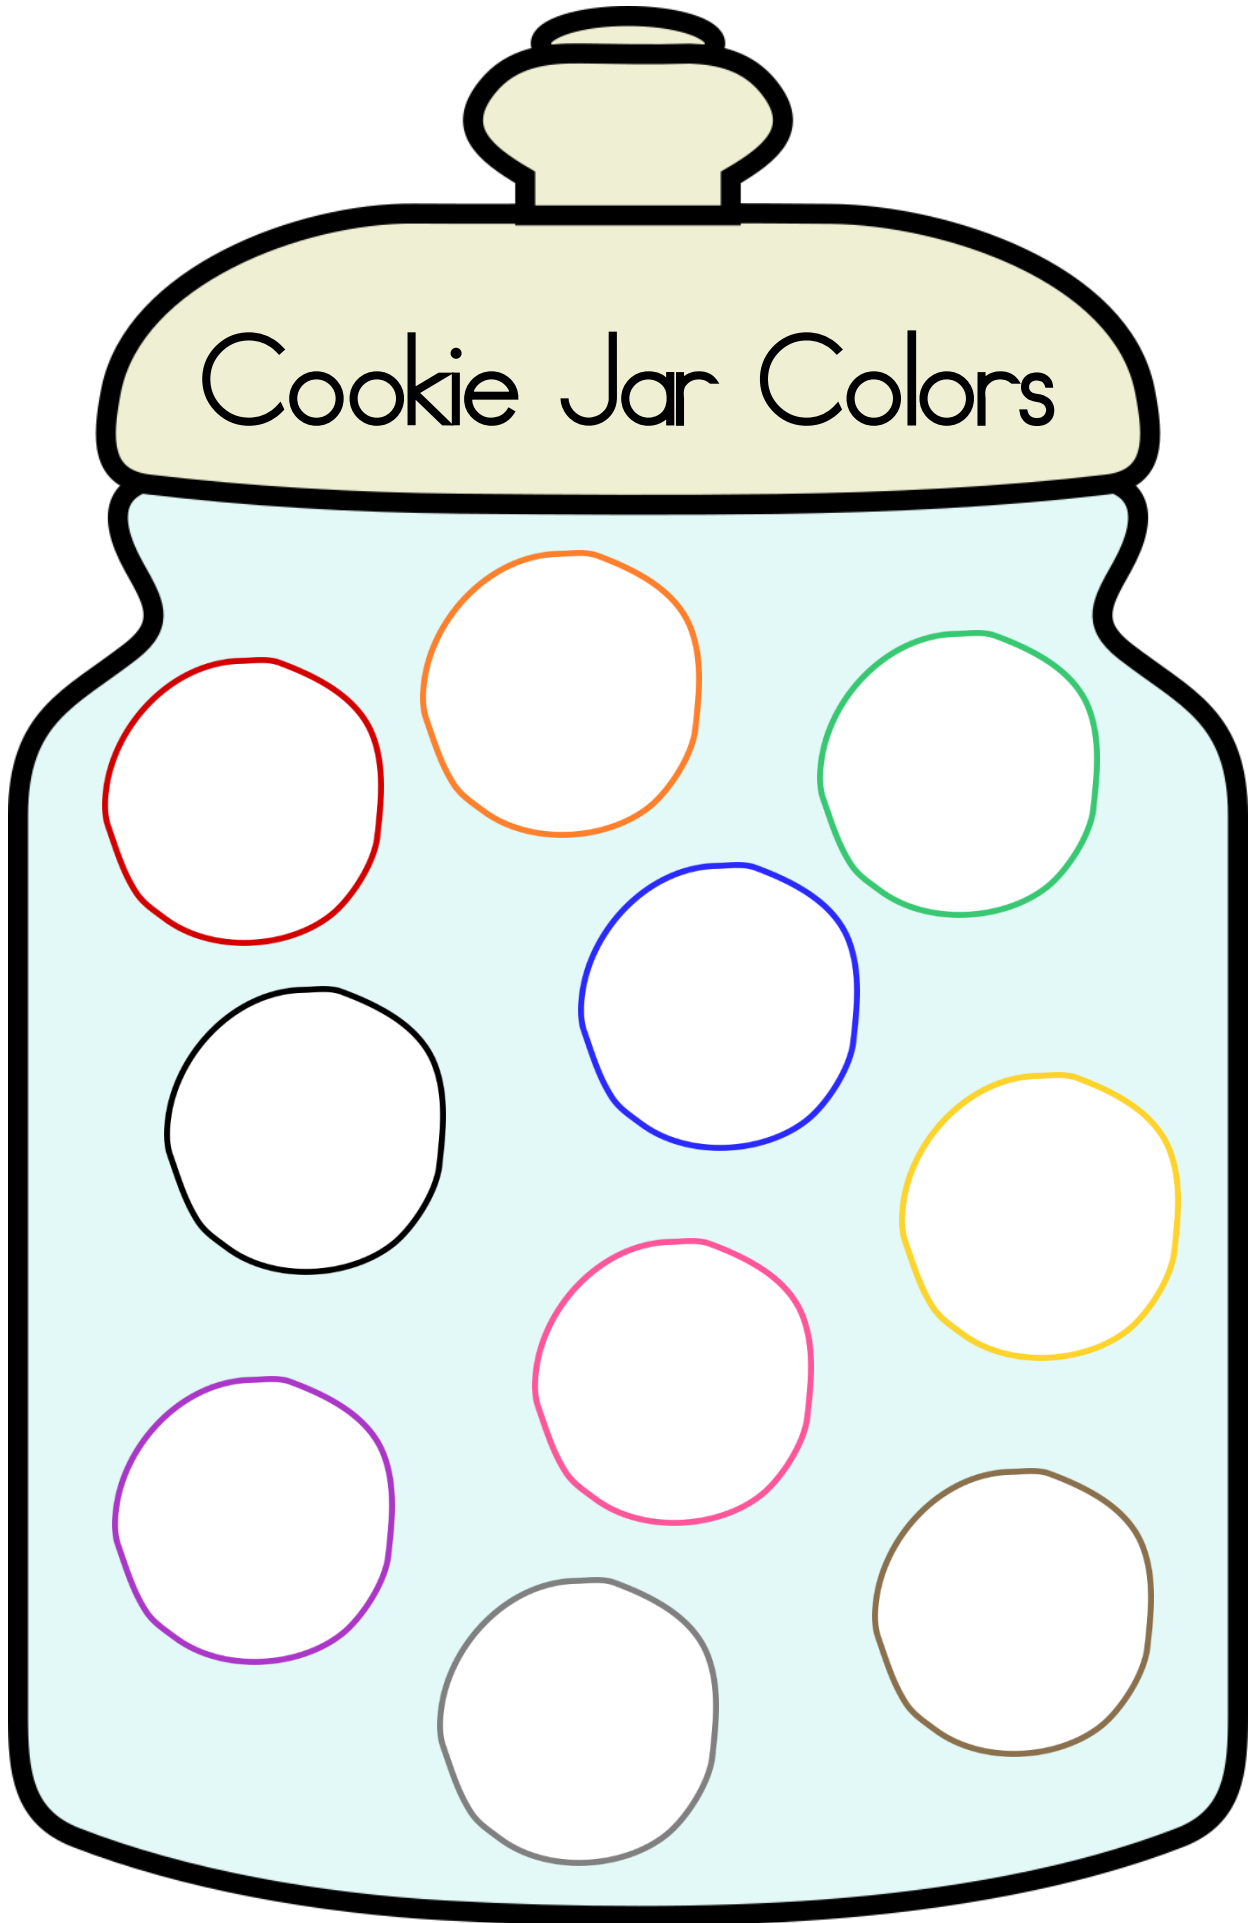

Step 2: For the blue cookie jar on page 4, sort and match the cookies that correspond to the colored circles. The red cherry cookie would be matched to the red circle, etc.

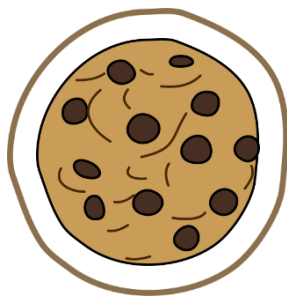

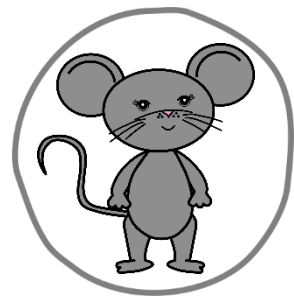

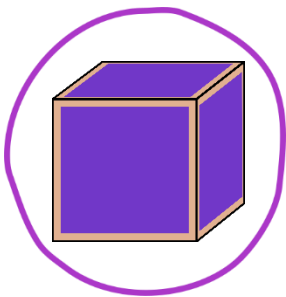

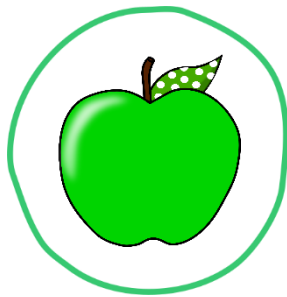

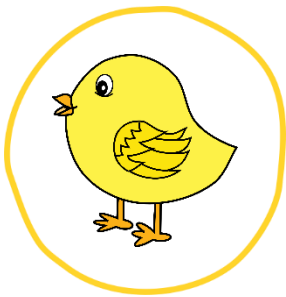

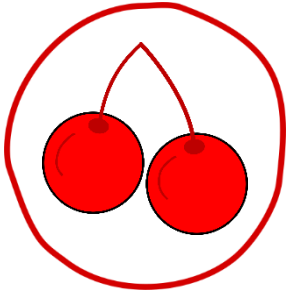

Step 3: For the cookie jars with the colored lid, place the ones you would like to complete on the table. Sort the cookies to match each jar. All of the cookies with pink pictures get sorted into the pink cookie jar. All of the cookies with blue pictures get sorted into the blue cookie jar, etc. Continue to sort and match the cookies until all of the cookies are back in their jars!
