Let's Practice Isolation Sounds

About:

- Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

- Our Let's Practice Isolation Sounds activity helps children work on pronouncing specific sounds that they're struggling with. Each letter of the alphabet includes 4 half pages of practice with the opportunity to say the sound 10 times!

Prep:

- **Step 1:** Print all pages 4-55 single-sided in black and white if you'd like to cut the page in half. For a reusable page, you can print double-sided.
- **Step 2:** Use the page as is, cut in half, or laminate/insert into a page protector for a reusable page.
- **Step 3:** Gather crayons / markers, bingo daubers, pom poms, whiteboard markers, or anything else you'd like to place over the pictures.

Directions:

- **Step 1:** Say the letter in the top right corner of the page. What sound(s) does it make?
- **Step 2:** Point to a picture on the page and say its beginning sound or say the focus letter sound(s). Every time you say the sound correctly, color the picture.
- **Step 3:** For added fun, once you have colored all of the pictures try and think of other words that start with the same letter.

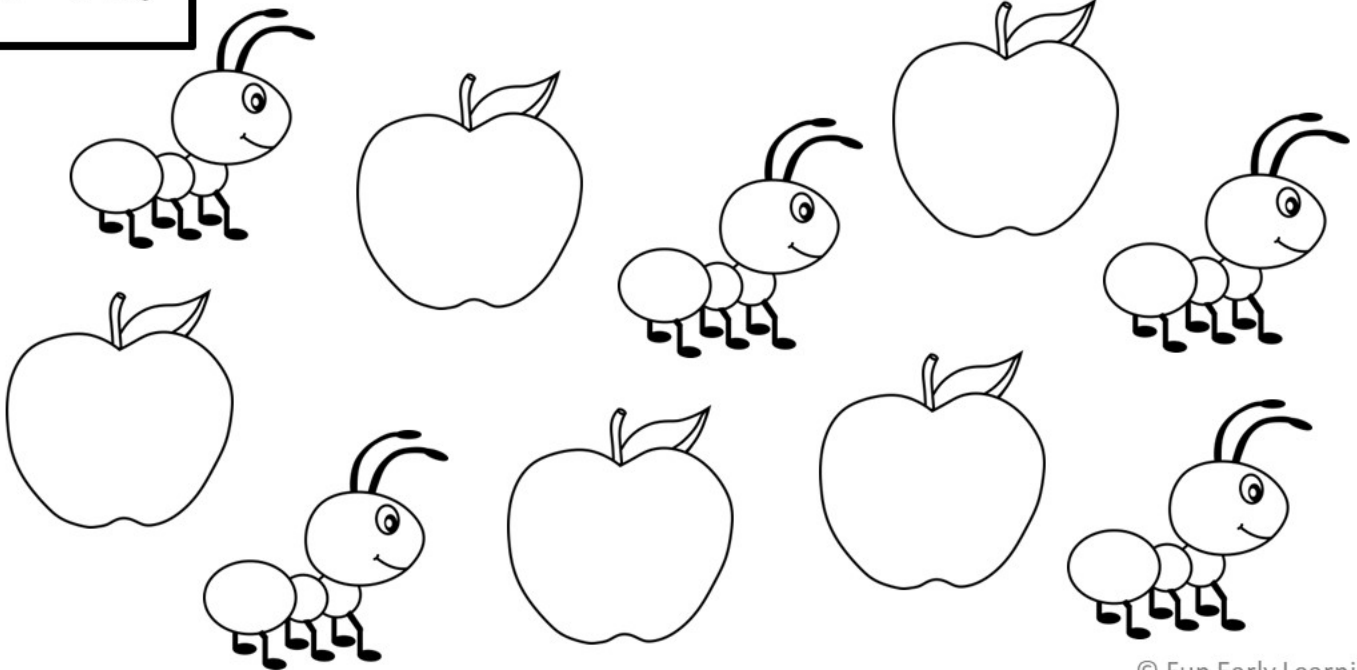

Check out our website for more freebies, ideas and teaching tips!
