About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

Our Roll, Say and Color Initial Sounds activity helps children work on pronouncing and identifying beginning sounds. You can choose to use 26 mats, or focus on the sound that your child is struggling with. Children love using dice and coloring materials to complete this activity. The use of hands-on materials keeps them engaged and learning!

Please note the directions contain affiliate links.

Prep:

Step 1: Print pages 5-31 in black and white.

Step 2: Use the pages as is for a worksheet or [laminare](#) / [insert into page protectors](#) to make them reusable.

Step 3: Grab [dice](#) and coloring materials such as [crayons](#) / [markers](#), and you're ready to play. If you're using these as a reusable activity, you will [whiteboard markers](#).

Directions:

Step 1: Say the focus letter in the top right arrow and its corresponding sound(s). For /b/ you would say, "it's the letter b, and it makes the sound buh."

Step 2: Roll one die and count the number of dots on it. Find the matching die on your Roll, Say and Color Mat. Pick a picture in that row and say its name. Listen closely for the beginning sound. After you say the picture with your best speech, color it.

Step 3: Continue step 2 until you have colored all of the pictures on the mat.
