Our Snap Cube Letters focus on letter identification, letter formation, handwriting, and fine motor skills! We love using hands-on materials when we're learning. Our children stay engaged and having fun! In this activity, they will put the snap cubes together in the same shape as the letter mat. They will then trace the letters on the page and write their own.

Please note the directions contain affiliate links.

Prep:

Step 1: Print pages 5-30 in color or pages 31-56 in black and white.

Step 2: Laminate the pages and either leave them whole or cut them in half.

Step 3: Gather [snap cubes](#) and whiteboard markers!

Directions:

Step 1: Place a snap cube mat on the table and say the name of the letter and its sound.

Step 2: Make the letter on the page by connecting the snap cubes in the same pattern as the page. For the colored letter mats, connect the cubes in the same color and shape as the mat. For the black and white letter mats, you can use any color snap cube you would like.

Step 3: Trace the letters at the bottom with a whiteboard marker. Then continue to write you own on the remaining line.
