Superhero Says Articulation Practice – Medial Sounds

About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

Our Superhero Says Articulation Practice – Medial Sounds activity helps children work on pronouncing middle sounds that they're struggling with. You can choose to use all 24 mats, or focus on the sound that your child is struggling with (please note there isn't a mat for the letter q or x). Children love using play dough with this activity and stay engaged and excited to continue learning!

Prep:

Step 1: Print pages 4-27 single or double-sided in color.

Step 2: Laminate the pages or insert into page protectors.

Step 3: Grab play dough and enjoy!

Directions:

Step 1: Say the focus letter in the top left banner and it's corresponding sound(s).

Step 2: Point to the first superhero and say the name of the picture in their circle at least 5 times. Try to make the focus sound as well as you can. Once you've said the picture name 5 times, cover it with play dough.

Step 3: Continue step 2 for every superhero on the page. For added fun, can you think of any other words with the focus sound in it?
