Winter Categories Sorting Speech

About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

Our Winter Categories Sorting Speech Activity focuses on sorting pictures into different categories while saying the name of the picture multiple times. This helps children work on articulation and speech, as well as sorting and matching.

Prep:

Step 1: Print all pages 5-10 in color and laminate with 5mil pouches for durability. You can print one copy of the gingerbread and snowman, or print several if you wish to do more than 2 categories at a time. We have included 16 categories total.

Step 2: Cut out the buttons on pages 7 and 8.

Step 3: Cut out the category cards on page 9.

Directions:

Step 1: Decide if you'd like to complete a gingerbread or snowman mat. Place it on the table.

Step 2: Place the category card you'd like to do in the box on the gingerbread or snowman mat.

Step 3: Find the matching buttons to the category. Say the name of each picture on the button 1-3 times and place it on the gingerbread or snowman.

Step 4: Continue to match all of the buttons to each category.
